

### Year 4 Home Learning – First Half of the Spring Term 2023

Below are the home learning tasks for this half term. You may do them in any order and bring them into class each time you have completed one. We look forward to seeing your work. 😊

<p><b>Super Science</b></p> <p>This term we are learning about Classification and Environments.</p> <p>Have a look around your local outdoor area and make a note of the animals, birds and insects you see.</p> <p>Try and find out what these animals eat and what kind of habitat they live in.</p> <p>Have a go at drawing a food chain.</p> <p>For information visit; <a href="https://www.youtube.com/watch?v=UncuC_p_ptg">https://www.youtube.com/watch?v=UncuC_p_ptg</a></p>	<p><b>Geography</b></p> <p>Using your knowledge of the Amazon rainforest, from our lessons, create a diorama. (a 3D model).</p> <p>Use a cereal box or shoe box to make it and use recycled materials you have at home. Label the layers of the rainforest and include the animals and the plants found there.</p> 
<p><b>Maths:</b></p> <p>Make your own digit cards from 0-9 or use a dice to create your own 3 - digit numbers. Multiple each 3 -digit number by a one - digit number.</p> <p><b>Terrific Times Tables</b></p> <p>Learn and create a poster showing the times table in writing and pictures for x6, x7 and x9. If you are confident with your timetables, choose a time limit and see how many questions you can answer in that given time. Try again and see if you can improve! <i>Challenge: Show the division facts for each times table.</i></p> <p>Use these links to practice. <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> <a href="https://www.topmarks.co.uk/maths-games/daily10">https://www.topmarks.co.uk/maths-games/daily10</a></p>	<p><b>English</b></p> <p>Choose a favourite character from a book you have read. Write one or two paragraphs to describe the character's appearance and personality.</p> <p><b>Challenge</b></p> <p>Now create your own character. Draw a picture of your character and write a description of the character.</p>
<p><b>ART</b></p> <p><b>Research Ancient Roman monuments. Choose one of them and sketch it. E.g. Colosseum, Pantheon</b></p>	<p><b>PSHE</b></p> <p>Create a poster of your goals.</p> <p>Think about the term ahead and what you would like to achieve. Think about what would help you to achieve them. What would help you to achieve them? <i>Use coloured pencils or felt pens.</i></p>

Remember to spend 15 minutes reading every day and 10 minutes practising your number facts.
