Dear all

First of all, I want to thank everyone for their good wishes for Clare Pankhania over the last week. All went well with the operation and she is now back home recovering.

We would like to remind parents of the need to park safely at the beginning and end of the school day. We have received complaints about unsafe parking on the corner of Tyzack Road, particularly. Thank you to those who park a little further away from the school and walk the last few metres – it is much appreciated!

On Wednesday this week, the staff hung the Christmas-themed hoops each year group has made, up in the hall; it truly looks lovely in there. Well done to all the children and staff who made this happen!

This week in school has continued to bring much festive cheer as the younger children continue to rehearse for their Nativities. The good spirits were certainly enhanced further by the return of Sarah Cox and Emilia Devine, the teachers in RC who have both returned to us this week following their respective maternity leaves.

I look forward to seeing many of you over the coming weeks with many events taking place in school. I hope you and your family have an enjoyable weekend.

Clare Dimishky
