

Year 3 Home Learning - 1st Half of the Spring Term

<p>Perfect Poetry!</p> <p>Try to learn a poem by heart.</p> <p>Please find a poem that you like – it should be at least six lines long.</p> <p>Learn it by heart.</p> <p>Practise performing it at home in a loud voice with expression.</p> <p><i>Challenge: Can you make up actions to go with the poem?</i></p>	<p>Times Tables!</p> <p>Choose a times table that you need to learn and create a song, rhyme or chant that will help you to remember it.</p> <p>Present the lyrics any way that you like!</p> <p>You could choose the 3x times table, 4x table or 8x table</p>	<p>Geography Interview!</p> <p>Interview somebody who has travelled to any of the following physical landmarks in the UK:</p> <ul style="list-style-type: none"> - a mountain - a river - a coastal area e.g. beach, cliff, salt marsh, estuary. <p>Present your findings in any way that you like. For example, a poster, interview script, paragraph of writing.</p>
<p>Design a healthy plate!</p> <p>We would like you to design a healthy plate that includes a balance of carbohydrates, protein, and fruits and vegetables. Record what ingredients you would include. You might even want to make it at home and photograph it!</p> <p><i>Challenge: Design a healthy menu.</i></p>	<p>Super Stone Age!</p> <p>In the Stone Age, people made amazing cave paintings of animals, hunting, etc. We are not sure what they used them for. Historians think they may have been used to tell stories or as part of their ancient religion.</p> <p>Draw your own cave painting to tell a Stone Age story. Make sure to use the same colours they would have done, e.g. brown, red, black, white only.</p>	<p>Remarkable Rocks!</p> <p>We are learning about rocks.</p> <p>Find a small rock or pebble, either from your garden or from the park.</p> <p>Can you identify whether your rock is igneous, sedimentary or metamorphic – think back to what we have learned in class or look at this website if you are stuck https://www.dkfindout.com/uk/earth/rocks-and-minerals/</p> <p>Draw a diagram of your rock and label it with its properties.</p>
<p>Menu madness!</p> <p>Find a takeaway menu and select food to feed a party of four people. You can choose a budget of £ 10, £15 or £25. You may choose to use money to help you work it out.</p> <p>Present your choices and working out in a clear and organised way.</p> <p><i>Challenge: Spend the exact budget. You may need to try out different combinations of dishes!</i></p>	<p>Magical Myths!</p> <p>Design your own mythical creature or hero/heroine.</p> <ul style="list-style-type: none"> - Draw and label an illustration of your character - Give them a name - Describe what they look like - Describe their character <p><i>Challenge: Write a short story that includes your character.</i></p>	<p>Work of Art!</p> <p>Look at some paintings by a famous artist and choose one of their works to recreate in your own style. You may want to sketch, sketch and colour, collage, paint, watercolour.</p> <p><i>Challenge: Research the artist and present your findings.</i></p>

In addition to these, please remember to spend 15 minutes daily reading and 10 minutes on your number facts.
