Dear all

Thank you for your help and patience both at the end of the day when collecting your children, and in the mornings if your child is a little reluctant to come in. I can assure you that every child is being supported to settle in, and that we will always let you know if we have concerns.

It has been lovely to see so many of you able to stay to our Meet the Teacher sessions. I hope you found them informative and reassuring at this time of transition.

A few children are coming to school with novelty hats and ear muffs. Whilst I understand that these might have some use when the weather turns really cold, at present they are an extra distraction for teachers to manage. Please may I ask that you do not send these items to school? In addition, when shopping for winter clothing, a simple knitted hat will be more beneficial. Until hats etc are really needed, any that come to school will remain in book bags during the school day.

Later today, you will receive news of an opportunity to join us for Friday assembly next week along with refreshments with our fabulous PTA. Please look out for the message.

We have a vacancy for a Midday Supervisor to join our team of staff. If you would be interested in applying for this position, please ask for an application form from Maria Smith or email: office@highworthcombined.co.uk

Best wishes for a happy weekend.

Clare Pankhania
