

## Year 4 Home Learning -2<sup>nd</sup> Half of the Summer Term 2023

Below are the home learning tasks for this half term. You may do them in any order and bring them in to your teacher each time you have completed one. We look forward to seeing your home learning 😊

<b>Super Science!</b>  Design a bright, colourful and informative poster to give children a clear message about how to stay safe around electricity.  For example: <ul style="list-style-type: none"><li>- Never use wet hands around electrical sockets and appliances</li><li>- Place wires and leads in a safe place</li><li>- Do not leave electrical appliances and devices on or when you are out of the house.</li></ul> If you need any more ideas you can visit <a href="http://www.switchedonkids.org.uk/electrical-safety-in-your-home">http://www.switchedonkids.org.uk/electrical-safety-in-your-home</a>  <i>Challenge: Write 5 ideas on ways that you could save energy.</i>	<b>Marvellous Maths!</b>  Practice your formal calculation strategies. <ul style="list-style-type: none"><li>• Generate 2, 4-digit numbers and add them using column addition.</li><li>• Generate a 4 digit and a 3-digit number and find the difference between the two, using column subtraction.</li><li>• Using short multiplication find the product of a 3-digit number and a 1-digit number.</li><li>• Use short division to calculate the following<ol style="list-style-type: none"><li>1. <math>783 \div 3</math></li><li>2. <math>435 \div 5</math></li><li>3. <math>368 \div 4</math></li><li>4. <math>602 \div 7</math></li></ol></li></ul>
<b>English</b> Write an instruction text using the features you have learned in class. Choose something that you enjoy doing – for example An instruction for your favourite recipe or instructions how to play a sport or a game.  Make sure to include – A list of ingredients or materials List the instructions using numbers or bullet points. Include imperative verbs. E.g. Stir, Mix, Add, Pour	<b>Fabulous French!</b>  Teach your family to have a short conversation in French. Use the phrases you have been learning this year. For example – Hello, how are you? Where do you live? How old are you? You can also teach you family to count to 50. Introduce the names of different family members. Mum, Dad, brother, sister, Grandmother, Grandfather, Uncle, Aunt, cousin.
<b><u>RE - Identity and belonging</u></b>  We have been learning about the different things that shape our identity. This includes our families, culture, religion and personal strengths and skills.  Write one or two paragraphs to explain - This is me. Include some illustrations to go with your writing. This could include cultural symbols such as a flag or symbols relating to your religion. You can also draw illustrations to show your personal skills.	

Please remember to spend 15 minutes reading and 10 minutes practising your maths facts every day.
