

Year 2 Home Learning – 1st Half of the Spring Term

Below you will see 6 homework tasks. You may choose the tasks that you wish to complete and do them in any order. Please do not hesitate to contact us if you have any queries.

Recount

Write a recount of a recent family walk or a trip somewhere.

Where did you go? What did you see? What was the weather like? Did something unusual/fun happen?

Remember to write your recount in a past tense.

ART

In Art this half term we will be looking at self portraits. Have a go at painting or drawing your self portrait.

Time

Use an old cereal box or paper plate to create analogue clock. Practise saying half past; quarter to/quarter past.

Ask your grown ups to quiz you on :
What time will it be in an hour? In 30 min? In two hours?

Then swap and see if you could set your family a time challenge.

In the past

Find out interesting facts about Henry VIII and create a fact file about him. Why not go to the library and do some research? You can also use this website to help you.

Small town superheroes

<https://www.bbc.co.uk/bitesize/topics/zd63xyc/articles/zncgvk7?scrlybrkr>

Habitat

Find about different habitats, choose your favourite one and create a 3D model of it. Look through your recycling bin and you will find a lot of useful things to help you with your project.

Visit BBC bitesize for **Habitats and the environment** information.
